

The Osher Lifelong Learning Institute at UC San Diego is a membership program for adults over the age of 50 who want to enrich their lives through continued learning and engagement. Osher features twice-daily lectures and seminars by the outstanding faculty and researchers of UC San Diego and the entire San Diego academic community, as well as local leaders, artists, and musicians. Class topics include Medicine, Science, Law and Society, History, Art and Humanities, International Relations, Literature, and Social Sciences. Informed member-led discussions of current events and Live Music Fridays enhance the Osher experience at UC San Diego.

"We have switched from the classroom to Zoom. It is terrific. We see mostly the same faces and always new subjects but no commute and no parking to be early for. Zoom is so easy that even I can do it. In many ways, Osher has been one of the most enriching contributions to my retirement life. Join Now. You'll love it!"
