Click here (https://www.nbcsandiego.com/on-air/as-seen-on/Sally-Ride-Jr-Science-Academy-Promotes-STEAM_San-Diego-509913332.html) to watch the NBC 7 segment

Sally Ride Science instructor Shirli Cohen visited [NBC 7 San Diego](https://www.nbcsandiego.com/) recently for a segment previewing the [Sally Ride Science Junior Academy](https://sallyridescience.ucsd.edu/junior-academy/), which runs from June 24 to July 19. The Junior Academy offers dozens of innovative STEAM workshops for students in grades 4-12.

Cohen brought along two students to talk about the Junior Academy with NBC 7's Whitney Southwick. They previewed "[Space Tango: Quest Institute](https://extension.ucsd.edu/courses-and-programs/space-tango-quest-institute/)," a 4-week course where high school students will program heat-transfer experiments and then run their programs on the International Space Station to see how microgravity affects different types of heat transfer. The workshop is made possible by a partnership with [Space Tango](https://spacetango.com/) and the [Quest Institute](https://thequestinstitute.com/programs/quest-for-space/).
