## OUR MISSION

The Sally Ride Science Academy offers fascinating and fun learning experiences in science, technology, engineering, arts and math (STEAM) designed for students entering grades 3 through 12 during the school year. During classes and workshops, students take on the roles of space explorer, marine biologist or computer engineer as they immerse themselves in hands-on projects.

Top-notch STEAM instructors lead these classes and workshops, serving as both teachers and role models. Their examples inspire students and help make STEAM careers more accessible.

# OUR CULTURE

## CODE OF CONDUCT

Good behavior is encouraged in a positive manner. The staff will work cooperatively with parents and guardians, keeping them informed of behavior concerns and methods used to teach and guide students toward socially acceptable behavior, which includes:

- **Strive to do the best work possible.**
- **Tolerate and respect individuals of different races, cultures, religions, genders, sexual orientations, disabilities and national origins.**
- **Behave in a friendly, cooperative and responsible manner toward all persons in the program and in the community.**

## IF A BEHAVIORAL INCIDENT DOES OCCUR, THE FOLLOWING PROTOCOL WILL BE USED:

1. A Sally Ride Science Academy staff member and the student will discuss the student's behavior and collaboratively work on a positive plan for moving forward. The staff member will document the incident, conversation and plan.
2. If a second behavioral incident occurs, a staff member and the student will discuss the student's behavior and contact a parent or guardian immediately. The staff member will inform the parent or guardian of the incident.
3. If there is a third incident, the student will be removed from the Sally Ride Science Academy. A staff member and the student will discuss the student's behavior and contact a parent or guardian immediately. The parent or guardian will be notified immediately that the student will be dropped from the workshop without a refund.

## HARASSMENT POLICY

Sally Ride Science is committed to providing a positive learning experience. All students and staff have the right to an environment free of harassment or violence of any type. Because of this, the following will not be tolerated:

- **Sexual harassment includes**, but is not limited to, unwelcome sexual advances; requests for sexual favors; or other verbal, visual, written or physical conduct of a sexual nature, which creates an intimidating, hostile or offensive educational/ social environment for students, faculty or staff. Sexual harassment affects an individual's self-esteem and can have a negative impact on performance. It can make an individual feel angry, powerless and fearful. If an incident occurs, a victim should inform a Sally Ride Science instructor or staff member immediately.
- **Bullying harassment includes**, but is not limited to, any kind of comment, threat or action that creates an intimidating or hostile atmosphere. Every student has the right to pursue an education without being concerned about physical, verbal or emotional abuse.
- **Physical harassment includes**, but is not limited to, any kind of physical violence, intimidation, threat or harassment directed toward any Sally Ride Science participant, instructor, staff member or any other individual. Any allegation of harassment at UC San Diego or at any Sally Ride Science-related activity during the program will be investigated, and disciplinary action will be taken if allegations prove to be factual.

## REQUIRED FORMS

In order for your student to be eligible to participate in the Sally Ride Science Academy, you must complete a digital authorization form in advance of the first day of their workshop. Failure to complete the digital authorization form with 72-hours of receiving the link will result in your student being dropped from the workshop(s) without a refund. The authorization form will be sent to you via email once your student is registered for a workshop. Please follow the link and complete the form within 72 hours. Failure to do so may result in your student being dropped from the program with no refund.
