[Welcome to CLAD Through ELD](#)

The online CLAD Through CTEL program offered by UC San Diego Extension is designed for candidates to earn an English Learners Authorization as an Added Authorization to a California Teaching or Service Credential. This option allows holders of a valid ELAM, ELAS, or ELAE to earn a full CLAD English Learner Authorization.

Candidates that are issued a preliminary credential through a California prepared program and enrolled in a program on or after January 1, 2014 are issued a preliminary credential with the English Learner Authorization of ELAM, ELAS, or ELAE. Teachers with those authorizations are authorized to provide ELD instruction in self-contained and core settings authorized by the prerequisite credential, *but not as a separate content area in a departmentalized setting*.

This CLAD Through ELD program is only for individuals that hold a valid ELAM, ELAS, or ELAE on their California teaching credential and may be required to earn the full CLAD Added Authorization for employment purposes. This provides candidates an option to obtain the following authorization, in addition to what they currently hold:

- The following instructional services may be provided to English learners (1) instruction for English language development in grades twelve and below, including preschool, and in classes organized primarily for adults. If the prerequisite credential or permit is a designated subjects adult education teaching credential, a child development instructional permit, or a child development supervision permit, English language development instruction is limited to the programs authorized by that credential or permit.

This program reflects standards adopted by the California Commission on Teacher Credentialing for CLAD Through CTEL Programs. A complete application and formal admission to the program is suggested prior to enrolling in the CLAD Through ELD course. **Only individuals that hold a valid ELAM, ELAS, or ELAE are eligible for this program.**

Please make sure to thoroughly review the instructions below before completing and submitting the online application. In addition to the online application, current copies of your teaching credentials, and official transcripts from the university that awarded you a Bachelor's Degree or higher must be submitted. Applications will not be processed without supporting documents. Please note that you must have a valid teaching or services credential in California.

This program does not issue a UCSD-Certificate upon completion. Only the California Commission on Teacher Credentialing (CCTC) Crosscultural, Language, and Academic Development (CLAD) Certificate is issued upon successful completion of all the CLAD Through CTEL Program requirements.
