Take advantage of this unique opportunity to visit two outstanding local organizations that will showcase their process improvement journeys. Step behind the scenes and join a tour that is hosted by the organizations' Lean Six Sigma (LSS) Champions, and facilitated by LSS Master Black Belt, Ric Van Der Linden. The company's hosts will provide a tour of their facility and highlight best practices and LSS projects that have made significant changes at their organization.

At this one-day workshop, participants will:

- Witness Process Improvement first-hand from skilled practitioners.
- Ask questions and learn from subject matter experts and organizational leaders.
- Learn strategies that can be applied immediately.
- Network with local Process Improvement leaders

Spring 2017 Hosts:

- SHARP Healthcare
- Watkins Manufacturing
