Promoting Yourself for Career Success: ESL Workshop

Through this 10-hour workshop, you will receive individualized coaching that will enable you to perfect your CV or resume, take a deep dive into interviewing strategies, and review networking skills to help you promote yourself with ease and professionalism.

 grammatical and the essentials of effective writing style and organization. Lectures will instruct you on writing summaries, abstracts, technical reports, and academic papers.

Identify and correct common problems in writing, such as the usage of conjunctions, prepositions, and punctuation. Recognize and correct your own grammar errors and learn how to find the answers to specific, recurring grammar questions.

Learn how to correct the most common punctuation errors in English writing, including the use of commas, semi-colons, apostrophes, hyphens, dashes, capital letters, and more.

Learn 48 common idiom and slang terms and get practice using them correctly. Individualized instructor feedback will be provided to each student.

French or Spanish language learners to assist in refining vocabulary, grammar, and conversation skills.

With weekly conversation topics and practice, this workshop will help you improve your speaking/listening skills.

By practicing how to solve specific speech problems, such as speaking too quickly, too softly, or too indici- sively, you will identify your own weaknesses and learn how to use various strategies to become a more articulate, confident, and successful speaker.

By the end of the class, you will have gained awareness of your problem sounds, learned how to produce those sounds accurately, and understood how to continue refining your speech while strengthening overall confidence.

With weekly conversation topics and practice, this course emphasizes improvement in conversational fluency in an active class environment.
