*$500 courses are $25 off through June 21, 2023. Courses are automatically reduced to $475.
Best Methods in Teaching Pronunciation and Fluency

Participants will study highly specialized features of English grammar and learn how to best teach and integrate the practice of these features in all types of EFL lessons. Syntactic variations related to gender, age, sociocultural linguistics, and other factors are examined. The important connection between syntax, morphology, and semantics will be covered throughout the course.

Note: Advanced Analysis of English Sentence Structure I and Advanced Analysis of English Sentence Structure II can be taken in any order.

Best Methods in Teaching Listening Skills

Become familiar with the different types of listening needs and tasks, as well as the best techniques and methods for helping your ESL and EFL students become more skillful listeners. Essentials of successful listening comprehension include making sense of a stream of sounds filtering and contextualizing applying discourse and cultural information. Students will learn about bottom-up vs. top-down skills, such as: knowledge of vocabulary, grammar, individual sounds, general knowledge, situational awareness, schema.

The course will emphasize the integration of pronunciation instruction and practice in all types of lessons.

Best Methods in Teaching Speaking Skills

Learn the best methods for getting ESL and EFL students to speak English and tasks that encourage meaningful interaction in this TEFL certificate course. This class will address types and idiosyncrasies of the spoken language, and micro skills of speaking that are factors in the oral code. Review current issues in teaching oral communication by analyzing conversational discourse, pronunciation, and affective factors. This course will suggest fluency and accuracy activities that can be used in and out of the classroom. Learn factors that hamper improved speaking skills for ESL and ESL learners.

Teaching Writing for Academic and Professional Purposes

Learn about discourse features of successful writing in English, in particular for academic and professional communication in the U.S. and around the world. The following are specific to good written English and are often not found in the same ways in the writing of other languages: uses of reference, substitution, ellipsis, conjunction, lexical cohesion. This class will instruct you on the rhetorical and formal conventions of good writing, and the most effective ways to share that knowledge with your ESL and EFL students.
