**BUSINESS & CAREER SKILLS**

**Promoting Yourself for Career Success: ESL Workshop**
Through this 10-hour workshop, you will receive individualized coaching that will enable you to perfect your CV or resume, take a deep dive into interviewing strategies, and review networking skills to help you promote yourself with ease and professionalism.

**STEM ENGLISH SKILLS**

**Elevate Your STEM English Skills**
With the goal of succinctly communicating information, you will gain new skills to clearly and confidently share your ideas, opinions, research, and data with the scientific community. You will strengthen your English language skills of idea development and expression to accurately hypothesize, describe, inform, explain, and analyze. Lastly, you will elevate your speaking abilities by developing poster presentation skills and

**GRAMMAR & WRITING SKILLS**

**Academic Writing**
Improve accuracy in writing mechanics, all areas of grammar, and the essentials of effective writing style and organization. Lectures will instruct you on writing summaries, abstracts, technical reports, and academic papers.

**Grammar and Editing I**
Identify and correct common problems in writing, such as the usage of conjunctions, prepositions, and punctuation. Recognize and correct your own grammar errors and learn how to find the answers to specific, recurring grammar questions.

**SPEAKING & PRONUNCIATION SKILLS**

**Conversation Improvement**
Identify key strategies and techniques to help you improve your spoken English through practice, dialogues, and situational role-playing. Build your confidence in conversing in English while further developing your speaking/listening skills.

**Pronunciation and Fluency**
By the end of the class, you will have gained awareness of your problem sounds, learned how to produce those sounds accurately, and understood how to continue refining your speech while strengthening overall confidence.

**Advanced Conversation Improvement**
With weekly conversation topics and practice, this course emphasizes improvement in conversational fluency in an active class environment.
