

Below is a list of external Project Management specific scholarship opportunities that students in UC San Diego Extension's Project Management certificate program may qualify for. If you are an organization that provides scholarships and would like to be added to this list, please contact [ProjectManagement@ucsd.edu](mailto:ProjectManagement@ucsd.edu).

### **Project Management Institute, San Diego Chapter Scholarship**

PMI San Diego Chapter sponsors an annual professional development scholarship to assist project managers who wish to attend continuing education courses. Up to US\$1,000 will be awarded in whole or in part to one or more individuals per year.

For instructions on how to apply, visit: <https://pmief.org/scholarships/scholarship-directory/pmi-san-diego-chapter-professional-development-scholarship>. For additional information please contact the PMI-SD's Vice President of Outreach at [outreach@pmi-sd.org](mailto:outreach@pmi-sd.org).

---

### **ARES PRISM Project Management Scholarship**

The ARES PRISM annual scholarship award is \$1,000 and will be for partial support of the student for one full academic semester. The deadline is July 1st every year.

#### Application Process Timeline:

Each student applicant should submit a completed application form, an essay addressing the application prompt, and current unofficial or official transcripts before July 1st to the award committee here: <https://www.aresprism.com/uncategorized/ares-prism-project-management-scholarship/>.

\*NOTE: UC San Diego has no role in the selection of scholarship recipients listed here. All scholarships are independently funded and operated.
