

**Subject:** Welcoming Todd Miller to Extension

**Date:** Mon 12/7/2020 5:06 PM

Dear Colleagues,

Please welcome Todd Miller to the Extension family, As we bid farewell to Sophia Eichner at the end of this month, today we welcome Todd Miller who is stepping in to assume responsibility for Extension's major new initiatives, especially those related to all real estate development projects downtown and on campus.

Todd grew up in La Jolla, graduated from Berkeley, has an MBA, and has extensive private real estate and local government experience. He joined UC San Diego Real Estate three years ago and has been instrumental in our downtown development, working hand in glove with Sophia. Their recent efforts have resulted in \$6.1M in New Market Tax Credits, which will go into the build-out of UCSD's Downtown Center.

Todd is active in many social organizations, coaches soccer, loves music and is excited about supporting Extension's work to amplify the university's public-facing mission. You may reach Todd at [tjmiller@ucsd.edu](mailto:tjmiller@ucsd.edu) or (858) 534-2685.

Please join me in welcoming Todd to the Extension team!

A handwritten signature in black ink, appearing to read "Mary", with a stylized flourish extending downwards.

Mary L. Walshok  
Associate Vice Chancellor for Public Programs  
Dean of University Extension
