Requirements for Grade Forgiveness

- Grade forgiveness will not be approved for courses in which you admitted to or were found responsible for violating the UC San Diego Extended Studies Academic Integrity Policy or the UC San Diego Policy on Integrity of Scholarship. Your academic record (conduct/integrity) may be taken into consideration in determining whether an original course grade will be forgiven.
- You must have completed the course both times for a letter grade (other grading options do not qualify for grade forgiveness).
- You must earn a passing letter grade (C- or higher) when repeating the course.
- In the repeated course, you must earn:
 - A grade that is at least one full letter grade higher than the original grade, OR
 - A grade that is at least high enough to fulfill the GPA requirements outlined in your petition (e.g. the GPA requirement for the program in which you are seeking admission).

PART C - Personal Statement (required)

Please provide a brief statement describing why you are submitting this request (e.g. your need to raise your GPA for admission to another school).

PART D - Student agreement (required)

By signing this form, I am certifying that the information I provided is true. I understand that when a grade is forgiven, all courses and grades remain on my student record and transcript, but forgiven grades will not be calculated into my cumulative GPA. I also understand that although my Extension GPA will not include these forgiven courses, other institutions may recalculate the GPA based on their admission or transfer policies.
